

Utah Renewable Energy Zone (UREZ) Task Force Agenda

July 30, 2008, 2:00 – 4:00 pm

Utah Department of Environmental Quality Bldg. #2, Room 101
168 North 1950 West
Salt Lake City, UT 84116

Meeting Objectives:

- Initiate the work of the Task Force to identify Renewable Energy Zones in Utah,
- Reach agreement on the process and schedule identifying renewable energy resources that are within and outside REZs, through participation of Task Force Members and Work Groups,
- Support the development of renewable energy resources as part of Utah's energy portfolio.
